

# The Entangling Web of Divine Life and Love

**GOOD MORNING**

1. Today in the Body of Christ believers participate in eternal life through the resurrection life of Christ.
2. Eternal life isn't just existing forever (even the unsaved will do that). Eternal life is receiving God's life and being brought into intimate relationship with Him (Rom. 6:23).
3. One of the great blessings we have today is that we can begin to participate in the resurrection life, enjoying it limitless power, right now in displaying God's limitless Grace (Eph. 1:15-23; 2:4-7).

4. Each member of the Triune Godhead, equally God, lives for the benefit of the others.
  - a. They don't think about themselves but about the other.
  - b. This is the very definition of Agape Love (Phil. 2:1-9).
  
5. When God the Father thinks about the Son, He thinks the Son should be pre-eminent in all things (Col. 1:18-20; Phil. 2:9-11), honoring the Son and displaying God's Glory.

6. When God the Father thinks about the Holy Spirit, He thinks the Spirit and the Word He produces should be exalted above His Jehovah name (2 Pet. 1:20; Ps. 138:2), honoring the Holy Spirit and displaying God's Glory. (Ps. 138:4-5)
  
7. In the Life of the Godhead, the Father lives for the Son and the Holy Spirit.
  - That is the way the spontaneous communion of Love in the Life of the Triune Godhead manifests itself.

8. When God the Son thinks about God the Father, He thinks of Him as Someone worthy to be obeyed. He came to do the will of the Father, honoring the Father and displaying God's Glory (Heb. 10:5-7; Jn. 14:31).
9. But when the Son obeys the Father, it is not Him doing it but God the Holy Spirit working in and through Him to do the Father's will, honoring the Holy Spirit (Lk. 4:16-21).
10. Each Person of the Triune Godhead doesn't live for Himself but for the others. I.E., AGAPE LOVE.

11. When God the Holy Spirit produced the Scriptures through inspiration (2 Pet. 1:20-21) but they were God the Father's words (Is. 34:16), honoring the Father and displaying God's Glory.

12. When the Holy Spirit teaches records and teaches the Father's words, they are not about Himself but about the Son (Heb. 10:7; Jn. 16:13-14), honoring the Son and displaying God's Glory.

13. One of the most important Mystery Truths for believers today is that while we await our bodily resurrection in the future, we can participate in this ENTANGLING WEB OF DIVINE LOVE (Rom. 5:5-8) AND LIFE (Rom. 6:4-5) right now through the Resurrection Life of Christ in its exceeding GREATNESS OF POWER (Eph. 1:15-23).

--And we do this through Agape Love (Eph. 2:4-7).

14. But REALLY: Can any mere mortal REALLY OPERATE IN THIS WAY?

--(Phil. 2:13-30)
